Facials

Our LovelySkin facials begin with a complimentary photo session using our Visia® imaging system to analyze your unique skin care needs. Your aesthetician can create the perfect facial for you using our custom menu. We offer organic products upon request.

bliss

We are the only authorized provider of bliss treatments in Nebraska.

LovelySkin Custom Facial \$95
Each facial is customized for your individual skin type. These physician-quality facials focus on correcting a variety of skin care conditions and include a hydrating hand and foot treatment.

Express Custom Facial \$60
This version of the custom facial is great for people on the go. Take this opportunity to have our licensed aesthetician analyze your needs to get you on the right path to better skin care. This facial includes extractions for problem areas.

Natura Bissē

Barcelona

We are the only authorized provider of Natura Bisse treatments in Nebraska.

Natura Bisse O2 Relax Facial \$180
Perfect for dull or dehydrated skin, this facial releases pure oxygen molecules into your skin to energize cells and eliminate toxins. Restore your skin's tone and vitality with this purifying treatment.

Natura Bisse Facelift Optimizer Facial \$180
Minimize signs of aging, including wrinkles, loss of firmness & lackluster skin with this high-powered repair treatment. Enhanced by a remodeling massage & a double mask, this facial redefines the contour of your face with a firming & lifting effect.

Natura Bisse Citrus Vita Essence Facial \$160
Awaken your senses while infusing skin with energizing vitamin C. With citrus fragrances and rich textures, this facial's reparative antioxidants restore the skin's luminosity and firmness, leaving your complexion hydrated and revitalized.

Natura Bisse Express G3P Facial \$100
A 30 minute, three-step exfoliative treatment created to keep the surface of your skin smooth, even and free of dead skin cells and other impurities. Your renewed skin reveals its true beauty and splendor, as this facial restores luminosity and radiance.

Liftosome Facial \$95
This treatment is best suited for mature skin. Vitamin C helps to brighten, tighten, energize and firm the skin. This treatment acts on two levels: vertically for firming and horizontally for tightening.

Beaute Neuve Exfoliating Facial \$95
Finally, a peeling facial that benefits every skin type. This treatment uses fruit enzymes, amino acids and vitamins to gently exfoliate and soften your skin, leaving your complexion radiant and glowing.

Redness Soothing Facial \$95
Whether redness is triggered by exposure to stress, sun, wind or extreme temperatures, this breakthrough treatment provides relief to soothe inflamed, sensitive skin. Featuring patented antioxidant and anti-inflammatory formulas, this facial features two intensely calming facial masks, making it ideal for occasional or persistent redness.

Acne Clarifying Facial \$95
Designed to reduce acne and improve skin clarity, this facial soothes redness and inflammation. This professional-strength treatment features exfoliating fruit enzymes to open clogged pores for deep cleansing and extraction without irritation. Suitable for all types of acne, this treatment can also help control break-outs on the back and décolleté.

Detoxifying Pore Flush (45 minutes) \$75

This treatment is recommended for professional control of chronic clogging, extremely difficult skin to deep cleanse, and blemished skin or deeper comedones.

Microdermabrasion & Chemical Peels

**With any pre-paid series of 5 Microdermabrasion or Chemical Peel Treatments, receive one FREE for a total of 6! **Note: This offer is not valid with any other offer.

Microdermabrasion \$125

One of the most popular non-surgical cosmetic procedures in the United States, microdermabrasion is like a “superficial skin polishing.” Small particulate crystals vacuumed through a delicate hand piece smooth skin while improving fine lines, wrinkles and acne scarring. See best results with a series of treatments.

SilkPeel Microdermabrasion with Dermalinfusion Single Infusion \$150
Dual Infusion \$175

*Add chest treatment for only \$50.00

This non-invasive treatment combines exfoliation with deep delivery of skin-specific solutions to improve and revitalize your skin. This treatment effectively treats all skin types and a wide range of skin conditions such as hyperpigmentation, photodamage, dehydration, acne, fine lines and wrinkles, and uneven texture.

Intracuticals Oxygen Treatment \$145
Only \$80 if added to a facial or peel

*Single treatment package of 3, \$60 savings! \$375

Restore radiance to your skin with this refreshing oxygen treatment. Oxygen under pressure is applied directly to the skin’s surface, cooling and calming the complexion while restoring its natural vitality and glow. A series of six applications over six weeks is recommended for best results.

GlyDerm Peel **Dr. Schlessinger Recommended!** \$80

Glycolic acid peels help resurface skin, improving tone, texture and quality. This treatment is clinically proven to minimize signs of aging, including fine lines, wrinkles, uneven pigmentation, sun damage and more.

Glycolic Rejuvenating Peel \$90

This peel is part of a comprehensive treatment program for younger, healthier-looking skin. Physician-strength administered glycolic acid peels are clinically proven to reduce skin aging effects such as fine lines and wrinkles, uneven skin tone and texture, and photodamage. This peel includes a brightening or clarifying booster.

MicroPeel \$150

This procedure is a three-step clinical procedure combining dermaplaning, a chemical peel solution, and cryogenic therapy to reduce the appearance of fine lines and wrinkles, hyperpigmentation, laxity, dullness and skin imperfections. For optimal results, two series of 4-6 procedures per year are recommended.

Salicylic Acid Peel \$75

Salicylic acid peels help with acne vulgaris, clogged pores and surface oils. The peels are a highly effective superficial peeling agent, oil reducer and pore cleanser.

Obagi Blue Radiance Peel \$100

This peel offers a unique blend of acids to provide a gentle but effective peel, resulting in brighter, tighter-looking skin immediately after just one use.

Clay Masque Peel **Dr. Schlessinger Recommended!** \$150

This peel is a simple, two-step non-surgical procedure that will create smoother, brighter and younger-looking skin after the first visit. Developed and researched at Skin Specialists by Dr. Schlessinger, this peel allows for powerful exfoliation with little or no irritation. The amino fruit acids (AFAs) in this peel improve the skin tone and texture while reducing the appearance of pores and improving the skin barrier.

Enerpeel PA \$150

This peel is formulated for patients experiencing premature skin aging, acne, seborrhea and mild hyperpigmentation. It provides medium depth exfoliation and helps to decrease fine lines and wrinkles. Because of the unique blend of pyruvic acid, we ask that you apply no makeup for a minimum of 12 hours post procedure.

Pigment Peel \$150

This customizable chemical peel dramatically improves the appearance of photodamaged skin after a series of only 4-6 treatments. The treatment combines high-performance brightening and anti-inflammatory agents with a powerful exfoliating acid solution to promote cell renewal and diminish uneven skin tone.

NIA24 Cellular Repair Peel \$95

A dual-phase, pre-dosed treatment system for resurfacing, detoxifying and fortifying the skin. Formulated for all skin types and conditions.

Velashape, PelleFirm and Body Treatments

Velashape Cellulite and Contouring Treatment \$400 per area

*Single treatment package of 6, \$400 savings! \$2,000

The first and only non-surgical FDA-cleared medical device for body reshaping, circumferential reduction & cellulite reduction. This treatment features the revolutionary combination of bipolar radio frequency, infrared light energies, plus negative pressure & tissue manipulation. This results in a smoother appearance of the skin’s surface.

PelleFirm \$400 per area

*Single treatment package of 6, \$400 savings! \$2,000

PelleFirm is an FDA-approved treatment from the maker of Pellevé that uses a combination of radiofrequency and mechanical massage to revitalize skin and reduce the appearance of cellulite. This treatment leaves your skin smoother and tighter. The procedure is painless and requires no downtime.

SilkPeel Dermalinfusion Body Treatment \$150

This non-invasive treatment combines exfoliation with deep delivery of skin-specific solutions to revitalize your skin. It effectively treats all skin types and a wide range of skin conditions such as hyperpigmentation, photodamage, dehydration, acne, wrinkles and uneven texture, specifically targeted for the body.

Purifying Back Treatment \$65

A version of the Acne Clarifying Facial for the back. This treatment features extractions and an antibacterial masque to cleanse and soothe irritated, acne-prone skin.

Salicylic Back Peel \$75

This treatment helps with acne vulgaris, clogged pores and surface oils on the back. Salicylic acid is a highly effective superficial peeling agent, oil reducer and pore cleanser. Extractions are included in this treatment.

Pellevé

The Pellevé is a superficial treatment to help lift and tighten as well as smooth fine lines & wrinkles with the use of radio wave frequency. The heat causes the collagen in your skin to contract and tighten. It is a non-invasive, customizable, and easy treatment that can be done within an hour. For the best results, we recommend doing no less than three treatments spaced four weeks apart.

Cosmetic Treatments Offered by Dr. Joel Schlessinger

Call 402-334-7546 to schedule your consultation.

BOTOX®, Dysport, Restylane/Restylane Silk, Lyft & Juvederm/Juvederm Voluma XC/ Volbella/Refyne & Defyne

Typical BOTOX® and Dysport prices range from \$300 and up depending on areas treated and amount used. Prices for fillers start as low as \$450 depending on areas targeted and amount used.

We are the ONLY national BOTOX® training center in the region.

Dr. Schlessinger is the top single user of all Allergan products (Botox, Juvederm, Kybella and SkinMedica) in the world. He is also the largest user of Obagi, Dysport, Restylane and Lyft in the United States.

Kybella™/CoolMini

Achieve a more contoured profile with treatments for stubborn chin fat. Skin Specialists is the first in the country to offer Kybella™, an FDA-approved, non-surgical treatment that helps dissolve fat to minimize the appearance of a double chin in as little as two treatments. Dr. Joel Schlessinger and his staff have more experience than any other clinic with this breakthrough treatment. CoolSculpting's CoolMini applicator uses controlled cooling technology to eliminate chin fat. The CoolMini is designed to treat targeted areas with more precision. Both are cost-effective alternatives to liposuction! Kybella™ and CoolMini can help you achieve great results without surgery and with little to no downtime.

Prices starting at \$750

AQUAGOLD/Microneedling

Dr. Joel Schlessinger is the first physician in Omaha to offer AQUAGOLD Fine Touch Microchanneling. Collagen breaks down with age and leaves behind sagging skin. This dermal device infuses Dysport and Restylane into the skin to help boost collagen and target signs of aging. Microchanneling can be added to almost any in-office procedure to enhance results.

Prices starting at \$1000

(Includes 25 Units of Dysport & 1cc of Restylane)

*All prices are subject to change.

Laser Hair Removal

Eliminate unwanted hair without creams, razors, wax or electrolysis, and start seeing the benefits of laser hair removal.

Per session prices beginning at:

Upper lip	\$100 & up	French cut bikini	\$250 & up
Chin	\$175 & up	Underarms	\$200 & up
Upper lip & chin	\$250 & up	Arms	\$400 & up
Upper lip, chin & sides of face	\$300 & up	Back	\$500 & up
Full face	\$350 & up	Legs	\$500 & up
Regular bikini	\$200 & up	Chest & abdomen	\$500 & up

Fractionated Laser Resurfacing

Fractionated Laser Resurfacing is a procedure that allows significant improvement for sun-damaged and wrinkled skin without significant down time. Two to four sessions per area are recommended.

Neck*	\$1,000 & up
Full face*	\$1,500 & up
Décolleté*	\$1,000 & up
Face and neck*	\$2,000 & up
Hands*	\$750 & up

*Prices are per session.

**Fractionated CO₂ laser resurfacing (Fraxel re:pair®) prices on consultation.

IPL* Facial Treatment

Intense Pulsed Light, or IPL, is an innovative technology that helps remove age spots, discoloration, freckles and uneven skin pigment. IPL is a gentle, non-ablative treatment that uses broad spectrum light to treat sun damage.

Ideal for patients with active lifestyles, this procedure involves no downtime and has a very low risk of side effects.

*Prices available upon request.

Ultherapy*

Ultherapy is a nonsurgical ultrasound procedure that lifts and tightens the areas around your eyes, cheeks, body and upper neck. This treatment stimulates the creation of collagen for both immediate and gradual results.

Sclerotherapy (Leg Vein Treatment)*

Sclerotherapy is a technique that involves an injection of solution into troublesome veins to effectively close off blood vessels. Dr. Schlessinger's results are superior to others because he was trained as a pediatrician prior to being a dermatologist. Therefore, he can reach into small blood vessels with incredible skill. The clinic also uses an ICON laser and other lasers to accomplish even better results than with sclerotherapy alone.

UltraShape/CoolSculpting*

UltraShape is an FDA-cleared, non-invasive and painless procedure that uses ultrasound technology to target fat in stubborn areas like the abdomen and thighs. CoolSculpting is the only procedure that uses advanced cooling technology to gently eliminate fat in specific areas of the body with no downtime. You can enjoy a slimmer contour with these safe and effective procedures.

SmartLipo*

SmartLipo is the first laser-assisted liposuction procedure. Since approved by the FDA in 2006, this laser liposuction procedure has quickly been labeled the cutting-edge treatment in cosmetic surgery. SmartLipo can be used anywhere traditional liposuction is used and it is a perfect touch-up for those who may have had traditional liposuction with imperfect results.

Tattoo Removal*

You don't have to live with tattoo regret. With three different lasers, Dr. Joel Schlessinger is able to treat a variety of colors and tattoo patterns that might otherwise be impossible to treat. Contact us to set up a consultation.

Ask us about stacked treatments for special savings on tattoo removal.

LovelySkin Spa Policies: We require a minimum of 24-hour notice for all cancellations. You may be asked to pay for your service if proper notice is not given. Repeated late cancellations or no-shows may require prepayment before your next appointment can be made. Parties with three or more services booked must give 48-hour notice and will be required to leave a credit card or gift card number for payment of 50% of the service total if proper notice is not given.

For your enjoyment and the consideration of our other patients, children under the age of 12 are not permitted in the day spa unless they are receiving treatments themselves. We ask that young children be carefully looked after for their own safety and to prevent discomfort to fellow patients.

We kindly ask you to arrive 5 minutes prior to your scheduled appointment. This will enable you to complete appropriate paperwork, check in, relax and unwind.

Arriving late will deprive you of valuable treatment time. To avoid delaying our next patient, your treatment time will end at the specified time regardless of how late you arrive or you may choose to rebook.

Coupons must be presented at the time services are rendered. Not good with any other offer. One per patient.
